## **EXAMINER'S AMENDMENT AND STATEMENT OF REASONS FOR ALLOWANCE**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the Attorney of Record, Lisa J. Michaud, on November 23, 2005.

The application has been amended as follows:

### In the claims:

In claim 1, lines 3, 4, 9, 11 and 14: replace "body" with - - housing - -

In claim 1, line 12: after "members", insert - - in said housing - -

In claim 1, line 14: delete "at the pivot point"

In claim 7, lines 1 and 2: replace "body" with - - housing - -

In claim 9, line 2: replace "body" with - - housing - -

The following is an examiner's statement of reasons for allowance.

None of the prior art either alone or in combination, teaches, discloses or suggests, Applicants' claimed invention of an instrument including: a housing; a tissue grasping element appended to the housing and having first and second tissue penetrating claws selectively moveable about a pivot point between an open and a closed position wherein the first and second claws are biased to one of the open and closed positions and are configured to penetrate tissue while moving from the open to the closed position; first and second actuating members mated to the housing and effective to move the tissue grasping element from the open to the closed position wherein each actuating member extends from an opening formed in the housing; a biasing element extending between the first and second actuating members in the housing and adapted to bias the first and second tissue penetrating claws to one of the open and closed positions; and a flexible member having a portion secured to the housing and at least one free end that is selectively fastenable to a support.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anu Ramana whose telephone number is (571) 272-4718. The examiner can normally be reached Monday through Friday between 8:00 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eduardo Robert can be reached at (571) 272-4719. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
